PERMISSION AND CONSENT FOR TREATMENT	
Student Name:	
Student Age:	If you under 18, on what date will you turn 18?

PERMISSION FOR TREATMENT OF PERSONS AGE 18 YEARS AND OVER

I certify that the foregoing information is true and complete to the best of my knowledge. I realize that the information that I have given in the medical history section is confidential and for the use of the Health and Counseling Services staff. I understand that the Health and Counseling Service is an integrated facility which offers free medical and mental health services to students, and that my personal health and psychiatric information, including but not limited to symptoms, treatments, medications and diagnoses while I am enrolled as a student, may be disclosed by and between the Health and Counseling Service medical, physical therapy, occupational therapy, nutrition and counseling staff and consultants, on an as needed basis to provide the best possible medical care, which disclosure(s) I hereby authorize without limitation. I give permission to The Juilliard School Health Service to furnish such diagnostic, therapeutic, voluntary immunization, and operative procedures and transportation as may be deemed necessary on my behalf. I am 18 years of age or older. I am aware that the practice of medicine is not an exact science, and I acknowledge that no guarantees have been made to me as to the result of treatment or examination by the Health and Counseling Service staff.

PERMISSION and CONSENT FOR TREATMENT OF PERSONS UNDER AGE 18 YEARS (MINORS)

If your son/daughter is a minor (under 18 years of age), you as a parent or legal guardian must sign this consent form so that the Health and Counseling Service may promptly carry out appropriate diagnosis and treatment and provide emergency health service procedures with no unnecessary delay. Without a signed permission for treatment, we will not treat your minor son/daughter unless an emergency exists or his/her presenting condition is exempted from requiring parental consent and/or notification by State of New York law. Even with a signed permission for treatment, the Health Service will contact and fully inform you as parent or legal guardian before performing any major diagnostic/treatment procedure except in an emergency. It should be understood that under certain circumstances your son/daughter will be transported to area hospitals for diagnosis and treatment.

I certify that the foregoing information is true and complete to the best of my knowledge. I realize that the information that has been given in the medical history section is confidential and for the use of the Health and Counseling Service staff. I give my permission to The Juilliard School Health and Counseling Service to furnish such diagnostic, therapeutic, voluntary immunization, and operative procedures and transportation as may be deemed necessary for my son/daughter who is under the age of 18 years. I understand that the Health and Counseling Service is an integrated facility which offers free medical and mental health services to students, and that my child's personal health and psychiatric information, including symptoms, treatments, medications and diagnoses while he/she is enrolled as a student, may be disclosed by and between the Health and Counseling Service medical, physical therapy, occupational therapy, nutrition and counseling staff and consultants, on an as needed basis to provide the best possible medical care which disclosure(s) I hereby authorize without limitation. I am aware that the practice of medicine is not an exact science, and I acknowledge that no guarantees have been made to me as to the result of treatment or examination by the Health and Counseling Service staff. As long as the medical treatment considered necessary in the situation is in accordance with generally accepted standards of medical practice for the particular type of injury or illness involved, I impose no specific limitations or prohibitions regarding treatment other than the following:

Signature of parent/guardian _____ Date _____

Relationship _____

No treatment will be provided if a signed permission for treatment form is not on file at the Health Services
